Dear Clerk I can only get an account of my trust account Statement once a month. Under penalty of perjury I am only receiving the money I earn from the PIA job which garnishes 50% of my wages and my aunt in Ohio might send me \$20.00 once every 6 months this is true and I feel really silly asking the Luetitent to sign and notorized affidavit that States these true facts Ie I owe aprox \$700<sup>00</sup> in restitutions and no one else equifax, Experian, and Trans Union will confirm 293-70-3209
